Item Body

Dear Interested Parties,

In response to comments received to date, a **Revised Draft 2012 Lead SIP for Los Angeles County** has been released. Attached is the new document with the areas of revisions highlighted for your convenience. The primary revisions were in response to U.S. EPA's comments regarding the modeling of fugitive emissions and the contingency measure requirements. A clean version has been posted to our website at: http://www.aqmd.gov/aqmp/Lead_SIP/homepage.htm.

We appreciate receiving your comments on this Revised Draft prior to April 17, 2012. This will allow time to address any comments prior to AQMD Stationary Source Committee consideration on April 20, 2012, and the subsequent AQMD Governing Board Hearing on May 4, 2012.

We look forward to your feedback.
